

The Parish Church of  
**St Peter** Great Berkhamsted

# The Sunday Service

A shorter, informal service for all the family, in the more relaxed surroundings of the church's carpeted Lady Chapel, with craft time, videos, singing, prayer - all followed by a children's tea party.

TSS is no longer going to be always on the third Sunday of the month.

That's so that we can make sure we don't clash with school holidays, and so that we can celebrate some events nearer to the day itself.

So here's a list of all TSS events coming up this year.

All services are on a Sunday at 4pm unless otherwise stated.
