LOCAL ROUGH SLEEPERS**

Dangerously cold weather is forecasted over the next five days. Please help us spread the message that DENS in Hemel Hempstead is available 24/7 and we can accommodate rough sleepers in the borough of Dacorum.

We provide a warm bed, a meal and specialist advice to help break the cycle of homelessness.

These spaces are free of charge.

If you are concerned about a rough sleeper, please call us on 01442 800131 or send us an alert at www.thestreetlink.org.uk.
