‘The care and protection of children, young people and vulnerable adults involved in Church activities is the responsibility of the whole Church. Everyone who participates in the life of the Church has a role to play in promoting a Safer Church for all.’

We are looking to recruit new leaders for our Little Fishes Parent and Toddler Group. The group was founded in 1997 and so will be thirty years old next year! Each week the group welcomes anything from thirty to forty people (adults and children) who pay £1 a session for the opportunity to enjoy time together with other parents (and grandparents and guardians!), offer mutual support and friendship, and allow the children to develop and thrive in the company of their peers. On the first Friday of each month there is a short service in St Peter’s.

Person Specification

- **Disposition:** Warm, friendly, approachable, and patient.
- **Values:** Sympathetic to the Christian ethos and mission of the Church of England.
- **Skills:** Able to interact well with both toddlers and adults and to plan and lead activities.
- **Reliability:** Consistent attendance and punctuality for scheduled shifts.

As part of our Safer Recruitment process, we will require:

- A completed application form, including a personal statement relating to the person specification for this role.
- A completed Church of England, ‘Confidential Declaration Form.’
- A full history and description of work with children, young people and/or vulnerable adults, whether paid or voluntary.
- Details of two referees.

Prior to appointment, we will further require:

- A satisfactory Enhanced DBS check.
- Two references.

Following an appointment, you will need to:

- Complete the Church of England's Basic Awareness (C0) and Safeguarding Foundation (C1) online modules.
