

CLIMATE & CREATION SUNDAY

27th SEPTEMBER, 2026 | 2-4PM

St Mary's Church, Studham, LU6 2NW

- How to live wisely and well in God's world
- How to live sustainable lives.

Come and listen to Dr Martin J Hodson and Rev Margot Hodson speak about the current state of our climate and what we can do in our lives to make a difference.

Dr Martin J Hodson

is a plant scientist and environmental biologist, and a former Principal Lecturer, and now Visiting Researcher at Oxford Brookes University. He is also Associate Member of the Institute of Human Sciences at the University of Oxford. Martin is Principal Tutor of Christian Rural and Environmental Studies (CRES). The tour scientist for the Hope for Planet Earth tours, he writes and speaks widely on environmental issues. Martin has over 100 publications.

Revd Margot R Hodson

is Director of Theology and Education at the John Ray Initiative, and is focused on teaching and researching how faith, community and the environment connect. She is associate tutor for Environmental Theology at Ripon College, Cuddesdon and All Nations Christian College. Margot is ordained in the Anglican Church and has previously been Rector of Wychert Vale in Buckinghamshire and Chaplain of Jesus College, Oxford. She is a member of Grove Ethics Committee; Chairs the steering group of the Theological Colleges Environment Network (TCEN) and is on the Glebe Committee of the Oxford Diocese. Margot has published several books.

There will be two lectures followed by smaller groups to discuss the following topics:

FOOD

FASHION

TRANSPORT

HOME ENERGY

YOUNG PEOPLE

FINANCE
