St Peter's Church

St Peter's
Berkhamsted

A large, lit candle in a glass holder is the central focus, surrounded by numerous smaller, lit tealight candles on a dark, reflective surface. The background is softly blurred, showing what appears to be a church interior.

Requiem Eucharist for
All Souls

Remember loved ones by lighting a candle at our All Souls service. During the service we read out the names of the departed – add the name of someone you have lost onto the list inside St Peter's Church.

Everyone is welcome, whatever your faith.

Music: Requiem by Gabriel Fauré
